Who Are We?

- Plymouth Pride forum was set up 1998 partly as a response to two horrific homophobic crimes in the city and gave the lesbian, gay, bisexual and trans communities a united voice making sure their views were heard.
- We are an independent organisation that campaigns for better support for Plymouths LGBT communities and undertakes a range of projects designed to improve services for LGBT people in the city.
- We work independently and in collaboration with Plymouth City Council, Devon & Cornwall Constabulary, Plymouth Primary Care Trust and many other organisations to tackle problems faced by LGBT people.

What are Our Aims?

HERE ARE JUST SOME OF OUR AIMS

- To improve the lives of LGBT people within Plymouth by voicing their needs and identifying gaps in service provision.
- To promote awareness and understanding of LGBT needs within statutory and voluntary service providers and ensure equality of access to services in the city.
- To work in partnership with agencies such as Devon & Cornwall Constabulary to reduce fear of crime and increase reporting of homophobic and transphobic incidents.
- To empower lesbian, gay, bisexual and trans people to become involved in community life and be consulted about all that affects them.
- To promote understanding and respect for lesbian, gay, bisexual, trans people and their communities.
